Camper Drop Off/Pick Up – Drop off will start a little earlier and will be organized and staggered by ward. It will be a loop drop off and pick up. Camp leaders will come to your car to get your camper or bring your camper to the car at pick up. **WE WILL REQUIRE CAMPER(S) NAME POSTED IN DRIVER’S SIDE WINDOW.** Parents, guardians and visitors will not be allowed at camp or to get out of their cars at drop off or pick up. We will also be taking non-contact temperatures of each camper before they leave the car. Any camper with a temp of 100.0F or higher will not be allowed to stay at camp. Face Masks must be worn at drop off and pick up by camper & anyone in the car.

Face Masks will be worn by staff when social distancing cannot be maintained (6 ft) and campers are **STRONGLY ENCOURAGED** to wear face masks as well when social distancing cannot be maintained. Campers must provide face masks and have a back-up one in their back packs. Since it is summer and hot, we will be sure to have areas where social distancing can be achieved so campers can pull their masks down. This is important to ensure campers do not overheat! Masks will not be worn while eating or drinking but social distance will be maintained. Masks will also not be worn while swimming, but will be worn when not in the water.

Backpacks/Belongings – Please send your camper’s items in a completely closed backpack – less is more! Do not over pack! Campers are allowed one bag only for their personal items. We will be keeping campers belonging separated so their bags do not touch.

Snack/Lunch/Dinner/Water – Snacks, Lunch, & Dinner will be provided by the Stake YW Camp, but YW are welcome to bring their own snack or lunch. Registration will ask for allergy concerns. Snacks or food from home should not need refrigeration – all food from home should be easily opened by your camper and not be stored in the kitchen – **leaders will not be handling camper’s food.** Ample water breaks will be provided, as usual please send plenty of water!

Sunscreen – Must be applied on at home, not in the drop off line. Each camper should bring their own sunscreen and reapply throughout the day.

Dress Code – Follow the For Strength of Youth Guidelines. Tops/shirts should cover shoulders and tummy. Shorts should aim for the knee. Closed-toe shoes, no flip-flops. Swimsuits must cover middle or shirt will be provided. Swimsuits must be covered with clothes when walking around campground.

Rain Cancellation – If there is a 60% chance of rain or greater by 6:00 a.m. the morning of each day of camp, then camp will be cancelled for that day.
